ACAN Sustainability Conference

Some of the children from the Den went along to the Alton Young Climate Action Network's conference.

We found out about where our milk comes from and made some delicious smoothies on the 'Smoothie Bike'!

We are here to help!

OUR SAFEGUARDING TEAM

If you have any concerns about the health and safety of a child attending the centre, or feel something is troubling them, please share this information with a member of the safeguarding team.

Top Tip for Talking

Get your child's attention before you talk to them.

Get down to their level and face your child.

Say their name before you start speaking.
