If you have any concerns about the health and safety of a child attending the centre, or feel something is troubling them, please share this information with a member of the safeguarding team.

Top Tip for Talking

Children need more time than adults to think about what they have heard and to decide what to say back.

Give your child TIME to answer!

Children may need up to 10 seconds to respond.

Please don't forget to complete our parent questionnaire. Your feedback really helps us improve the nursery.
